Bunyip Newsletter First Issue

By Roman Kulkewycz

The late Mrs. Elizabeth Porter was a member of the Bunyip Branch of the Red Cross and was actively involved in helping people in the district who were in need of material goods and services. In 1982 she identified the need for the thriving Bunyip community to have a newsletter where locals could be informed of community activities as well as contribute reports and interesting news items from various community organisations.

Through her membership in the Bunyip Red Cross and with encouragement given by Russell and Jean Clark and neighbours Hugh and Jess, the first fortnightly issue was published on the 7th October, 1982. Below is the acknowledgement on the front page:

BUNYIP & DISTRICT NEWS
INITIATED BY
BUNYIP RED CROSS BRANCH

No 1 ISSUE
7th OCTOBER 1982

When her husband Robert became ill, their son Arthur who was living and working at Hazelwood North moved to Bunyip to help his parents out. Arthur has remained a Bunyip resident since. He vividly remembers being involved in the printing of the first issue of the Bunyip & District Newsletter on a Roneo machine. The machine was suitable for reproducing a small number of documents such as school worksheets or exam papers or community newsletters. Stencil duplication was a low-cost printing method that worked by forcing ink through waxed-paper stencils on to target paper. “ I remember the purple ink that rubbed off on your hands, the copies had a smell that was recognised by any 1960-70’s school kid, Arthur said.

Our first print produced 300 copies and was enthusiastically received by the community. Eventually we began compiling the newsletter on computer and using a printer. All the copies were collated and stapled by hand. These days it’s all done automatically and the printer has to just keep up the supply of paper and supervise the running of the machine.”

This year the Newsletter has reached the 40th year of publication milestone and we gratefully acknowledge our first editor.....Elizabeth Porter.

It is with a great deal of pride and pleasure (after a good deal of work) to present to you the first edition of the “BUNYIP & DISTRICT NEWS” Our recently formed committee, via the sponsorship of our own Red Cross branch, have got together to bring to our district an awareness for communication, something which has been lacking throughout the area since our own local newspaper closed down. We want to put local news in readable form right into your homes, to do this we must have your support, for you to tell us of activities, social events, any news of interest in our own community.

Mrs Elizabeth Porter and husband Robert

Bunyip School News:

On Monday morning a number of pupils and two Teachers went to Shelley Memorial Hospital to present Matron with \$189.63 which was raised by the school children with the assistance of sponsorships from local business people. The money was raised through participation by children, teachers and parents in a 5 kilometre "Bun Run" in the Bunyip area. The children were given a conducted tour of the Hospital and entertained to morning tea.

On Thursday and Friday of this week 43 children, four teachers and two parents will be camping in tents on Mr. Burt's farm at Tonimbuk.

Bunyip Primary School Council :

The September meeting of the school council was well attended with only one absent.

After the normal general business of the running of the school, such as paying accounts etc, Mr. Kehayas gave a report on the play the school put on, under his guidance, called "Germs". Everyone was justifiably proud of the evenings performance and as parents our thanks go to the teachers and different ones who helped train the children, and presented a very enjoyable night.

The main topic of the evening was the general discussion on the planned Multi Purpose Room. Many may not know that after many years of presenting plans and ideas and reasons for such a room to the Education Departement, we have at long last been given a grant of \$80,000.00 and the Council has to find the extra \$20,000.00 that it is estimated the building will cost. It is proposed to form a co-operative in the near future for the purpose of raising this money and more definate news of this will be in future reports.

There will be a public meeting in the near future for all who are interested in the future welfare of the school and to present the annual financial balance.

The meeting closed at 11.00pm.

The Catholic Womens League of Iona:

Twelve members attended the half yearly conference which was held at Warragul during September. The theme of the conference was "Marriage and the Family Today", and there was a large attendance of women from all parts of Gippsland. The conference began with Mass celebrated by His Lordship Bishop D'Arcy and guest speakers furing the conference were Chris and Trish Harkin who gave a very inspiring talk on marriage.

Bunyip Group of Uncle Bobs Club:

The group was formed on 29th April, 1982 and has a current membership of forty. The aim of the club is to raise money for the Royal Childrens Hospital and to help sick and handicapped children right throughout Victoria. Many thousands of dollars are also spent each year in providing equipment and facilities for children's wards in country hospitals. Membership is \$5.20 per year and Associates \$2.60. All members receive a quarterly magazine keeping them informed of activities of Groups and Branches throughout the State.

At present Bunyip Group is conducting an authorized raffle for an Australian Stud Pony, complete with saddle etc., and valued at \$1,200. Tickets are \$1.00 each and can be obtained from John Dyer at the State Bank Bunyip or any member of the Committee.

Senior Citizens Club - Bunyip:

At Senior Citizens Club on Friday October 1st, we had 18 members attend. We have been able to welcome new members in the last few weeks and they enjoy playing cards etc.

New members are always welcome.

Shelley Hospital Ladies Auxillary:

The Auxillary invites all those people who love to dance to come to their Annual Ball to be held in the Bunyip Hall on Friday October 29th. B.Y.O. (with glass) \$16.00 a double, good supper provided and wonderful music by the Raydons. Tickets available at the hospital Bunyip, 29-5204. Bookings taken for any number of couples.

The new Tynong Post Office

Tynong Welcomes New Post Office

By Roman Kulkewycz

On Saturday, 3rd September despite the wet and cold conditions hundreds of Tynong residents and visitors joined in the celebrations of the official opening of the new premises of the Tynong Post Office.

In early 2000, despite still being a small Post Office, Tynong was given a life-line by becoming a “Rural Transaction Centre” with funding from the Federal Government. This enabled the Post Office to have an Australia Post dedicated computer counter terminal for bill paying and parcel transactions. This was about the time that nearly everyone began using their banking cards to pay bills.

The first unofficial Post Office (PO) in Tynong was established in November 1882, in the gatehouse of the Railway Station at the intersection of Tynong Road and Nar Nar Goon - Longwarry Road. The first railway employee was Robert J Mitchell, who also became the Post Master.

In 1993 Australia Post decided to introduce a new way of operating Post Offices and decided to award the business owners a license to handle the mail, and current licensee Pauline Preston was given the opportunity to take on the license for the Tynong Post Office and she took over the license on the 1st July, 1993. As it needed to move, the Tynong General Store owners, Clive Weston and Lesley Holt offered a corner of the General Store in Tynong from where the Post Office has been operating.

Bunyip Ward Councillor, Graeme Moore (centre) chats with Eric and Maria Cutts of Tynong.

Post Office licensee (L- R)

Pauline Preston with Nic and Craig Willis from Willirn Constructions cut the ribbon to officially open the new Tynong Post Office.

Working together for a Safer Cardinia Community Safety Month 2022

Community Safety Pop-Up: Bunyip

***11am–1pm, 19 October 2022 Bunyip IGA Supermarket,
2/6 Main St, Bunyip***

Connect with local services at community information sessions hosted by Cardinia Shire Council this October – Community Safety Month!

Community Safety Month is an opportunity for local communities to link together and coordinate activities to create safe and secure environments.

“Council is committed to community safety,” said Cr Springfield, “and our recently adopted Liveability Plan includes 5 overarching objectives and 13 strategies all aimed at improving safety within the shire.”

Cr Springfield said Council’s Council Plan also outlines that council will empower our communities to be healthy, connected and resilient; how we will work together to support everyone to be healthy, active and connected; that we want individuals feel included, safe and valued for who they are; and that we have zero tolerance for all forms of discrimination.

“The Council Plan also outlines that Council will create a Safer Communities Policy and incorporate Crime Prevention Through Environmental Design (CPTED).

“Opportunities and activities where council can play a lead role in responding to crime and antisocial behaviour include creating connections with our community, helping to build awareness, and delivering information and educational messages.

“An example of this is through our monthly Cardinia Safer Communities Partnership Committee meetings. These meetings support the work of Victoria Police through the collaboration of police, Council, community, safety experts, and other stakeholders.

In September we held a Community information session on CPR and Defibrillator use. We offered this training through Ambulance Victoria.

Our Community is not always going to get the same response times to an incident compared to maybe a built up area of our shire. So in an effort to help protect and keep our Community safer, the Bunyip CFA in conjunction with a few other Community groups and businesses funded the installation of 24 hour access Defibrillators.

We have had numerous emergencies now where these Defibrillators have been collected at the request from a 000 call taker.

If you haven't already familiarized yourself to your closet Defibrillator we have these available but not limited to the following locations. Bunyip Main Street near Bendigo Bank, Garfield Main Street near Post Office, Tonimbuk Equestrian Centre main gate, Garfield North Recreation Reserve on Toilet Block wall, Tynong Fire Station on front wall. Please keep in mind you may also have one closer and available in your particular location.

Thank you to the Community members who made the effort to attend and we hope you all learnt some important life saving information.

Market Success Continues

By Roman Kulkewycz

Lovely Spring sunny weather and warm temperatures saw a large number of stall holders and browsers come along to the September Bunyip Market. Over 40 stall holders set up and there was a friendly family environment with lots of bargains on offer.

There were plenty of food and drink outlets including the Roll n Bean coffee van, the very popular Sugar Shack donuts, authentic Greek Soul Food and the market BBQ stand.

There was a continuous line up for the very tasty and popular “Sugar Shack Donuts “

Made from the finest quality timbers, Sheree Bould had these magnificent “Serving Boards”, “Chopping Boards “ as well as an extensive range of other hand crafted items on offer.

Young entrepreneur thirteen year old Mia Watson from Pakenham was selling a great range of gift ware. She was donating \$1 from each item sold to the Royal Children’s Hospital

The Soul Greek Food van was serving up freshly cooked authentic Greek culinary delights. Carol and Paul prepared the authentic Greek dishes

Bunyip Community Market BBQ members Tony and Carmelina Arrigo, John Beavis and Cherie Johnson were kept busy selling a variety of BBQ foods

TALKIN' ...FISHIN' LIGHTEN UP !

While most of us aspire to catch the 'big one'! In reality most of our fish we catch are a fraction of that size (not that we'll ever admit to it). However you should not be disappointed with this result though, after all a fish is a fish, you can have just as much enjoyment and fun no matter what the size, you just need to lighten up.

Of course, I'm not referring to your attitude but your gear. Reducing your line strength or diameter, and the weight and size of your rod and reel will even up the fight and prove just as much fun. Quality monofilament lines can be fished in ranges as low as 1&2 kg with rod and reel sizes balanced to match the catch.

Consider a Huckleberry Finn outfit, modern composite varieties are the go, that's a pole only (no reel) a good quality light line the same length as the pole, up to 6.0 & 7.0 metres long with a float and hook attached. Even if you're only after the bait, such as yakkas, and small mullet or garfish, this is a very effective tackle setup. A load of laughs even for the big kids in your crew. Pole fishing out of a boat for garfish is a trouble free rig choice and a fast hook-up and return to the water method especially without a reel, a pendulum swing in/out and set the hook.

If you're a fly or spin fisher, tiny streams or twig waters as they're known designate lighter gear, 2,3,and 4 wt fly rods and lines accordingly. Delicately landing on calm water creeks and streams. If you're a spinner, look for small lures and again light spider web like lines in the 1 to 2 kg range that float in the breeze but still deliver the goods. Don't fear the larger fish appearing, they like a light lunch too, so hang on!

Family history mystery deepens.....

A quest of family history has been developing over the past few months in Bunyip. The nieces of Eva Peck, (Fitzpatrick/Mitchell) recently travelled to Bunyip to unearth a family mystery. Eva Peck had once lived in Bunyip and managed a cafe in Main St. That was where she met and married Bunyip resident Jack Fitzpatrick in 1938. Jack was known to work in a butcher shop in Main Street before enlisting in the army during World War 2. Eva's 2nd relationship was to Alan Lyndsay Mitchell. The Mitchells were a prominent farming family, which was reported in the book, Call of the Bunyip. (1990)

The family first visited the cemetery to locate the grave of Percy Mitchell which unfortunately was not marked and so not possible. The nieces four, then travelled to the farm of John & Sue Anderson which is thought to be the old farm of Percy Mitchell, Alan's father. After being so engrossed in their search for some history of Eva and Raymond Peck's life in Bunyip

it suddenly hit them they hadn't had lunch! Luckily the Bakehouse was still open when they got back to town and they indulged in some of the best sausage rolls ever tasted!

After some information from Sue at the Bunyip Historical Society who related to them that were two butchers in town. One had been demolished and the other was where Biddy Martha's cafe is they wanted to check it out. Was this previously the butcher shop Jack Fitzpatrick worked in back in 1930's? The group had a long drive home, so they reluctantly left the town of Bunyip, holding its secrets they longed to discover. But their quest continues and they invite anyone who may be able add or verify any of their discoveries or help with more information about Eva Peck, Jack Fitzpatrick or Alan Mitchell they would be very glad to hear from them via email at waltermarsh@optusnet.com.au or through Sue our contact from the Bunyip Historical Society.

2022 Sportsbet Pakenham Cup Pin & Win Charity Partner Announced

THE countdown to the 2022 Sportsbet Pakenham Cup is officially on.

The launch of Sportsbet Pakenham Cup and associated events for Pakenham's premier race day have begun and will continue to roll out over the next couple of months.

The Pakenham Racing Club is proud to announce "Frankies Community Kitchen" as the Pin & Win charity partner for 2022.

Pakenham Racing Club Chief Executive Officer, Blair Odgers, said the partnership was sure to be a winner.

"The team behind Frankies Community Kitchen are incredible – supporting hungry families in need by making wholesome meals with quality ingredients which would otherwise go to waste. Pakenham Racing Club is excited to partner with them for this year's Sportsbet Pakenham Cup."

The Sportsbet Pakenham Cup Pin & Win promotion is part of Pakenham Racing Club's community engagement strategy for the club's biggest race day of the year.

"The Pakenham Racing Club along with the Frankie's Community Kitchen will be selling pins in the lead-up to the Sportsbet Pakenham Cup, with all proceeds from the campaign donated directly to Frankie's Community Kitchen, so we encourage everyone to get on board to support this wonderful cause," Mr Odgers said.

Frankies Community Kitchen Chairperson, Geoff Mason, is equally as excited about the collab. "The partnership between Frankies Community Kitchen and Pakenham Racing Club has been helping Cardinia locals for many years. The Pin and Win initiative is another notable example of two local organisations working together. For every pin you buy, you will help create fourteen nutritious meals for local people in need."

Mr Mason continues, "Frankies Community Kitchen need to raise \$55,000 every year to continue to provide meals for vulnerable local people, including families where a parent has lost work, mothers and children fleeing domestic violence situations, and many more families and individuals in dire need. Without these funds we could not keep the ovens cooking, the cool rooms cold, or our vans on the road. We do not receive government funding towards our operational expenses and rely on generous partnerships such as Pakenham Racing Club, Club Officer, and Cardinia Club. Initiatives such as the Pin & Win, mean Frankies Community Kitchen can increase the number of meals delivered to local charities including St Vinnies Soup Van Beaconsfield, the Salvation Army Pakenham, and Longwarry Food Relief. All meals are free of charge, so help us continue to support the locals in need."

**SUNDAY SERVICE at 9.30 a.m. with good coffee after
WEDNESDAY SERVICE at 11.45am followed by lunch**

What a great day we had on September 18th. !

We had a decent crowd at our usual 9.30 service and a good and loving community gathering at 11.15 when we remembered the life of Queen Elizabeth. In the afternoon Marie Kent's family filled the little church to honour her 90th. birthday. We lit candles

for her and rang the church bell 90 times and then gave thanks and asked God's blessing on her years ahead.

COMING UP on Sunday 30 October is our celebration of the glorious feast of ALL SAINTS (All Hallows) at 9.30. The following week - Sunday 6 November - we have FLOWERS OF REMEMBRANCE as we commemorate All Souls'Day. On this day we invite you to place flowers in the church in memory of those you love who have died. You can write a card to go with the flowers. Our service in the church on November 6th. is at 11 a.m.

All are welcome.
