"Intersection Safety Concerns Raise Alarms: Urgent Action Needed to Prevent Tragedy"

There continues to be ongoing community concerns about the problematic intersection of Nar Nar Goon Longwarry Road and Bunyip Modella Road in Bunyip, where frequent incidents continue to put lives and safety at risk.

I encourage people to submit a formal complaint to address safety concerns and advocate for change. You can do so by contacting Vic Roads, Local Police Station, Cardinia Highway Patrol.

BUNYIP-GARFIELD PROBUS CLUB

Our Gardening Group went to Wilson Park which is in Berwick to have a guided tour of the Gardens. The park was formerly a basalt quarry (bluestone). This rock was used to construct the Railway line to Gippsland, from Oakleigh to Bunyip with the crushed rock being used to support the sleepers on the track. The quarry stopped operating in 1976.

George and Fay Wilson donated 17 hectares of land for a Public Park known as Wilson Park in recognition of the early pioneers and in memory of James Wilson and his son George. The Casey Council brought another 17 hectares to add to the generous gift.

There is now 39 hectares of a well designed Park which has over 1000 different plants with so many different area's to explore. The Group were able to ask their guide lots of questions about some of the unusual plants and trees that are in the Park. Later they were able to have a wander around at their leisure before meeting for lunch.

This month was our Footy Day with all the Football supporters coming dressed in their team colours and we're hopeful that their team will win The Grand Final this year. All the Team Colours were displayed around the hall and at times the their theme songs were played with the supporters sing along for their Club. We had our normal meeting then we had a Footy Lunch of pies, sausages and hot dogs followed by yummy slices and sponge cake. The supporters sung their Clubs theme song each time it was played and all joined in the team games of handball using small footballs. Another good fun day for everyone. Many thanks to all who helped in anyway.

The Pakenham Rotary Park was the destination for the Walking Group this month. The walk starts at the Northern entrance to the Toomuc Creek, Linear Reserve and we were all surprised as not many of us knew about it. We just strolled along at our own pace for awhile then returned to our cars and went to the Officer Club for lunch.

Moy Yan Neighbourhood House

Jen Belsar is the Manager of Moy Yan Neighbourhood House in Garfield. Since taking on this role in May this year, Jen is planning to develop and expand local community activities and to get people participating in the many varied programs that will be on offer.

Where do you live: Korumburra, I grew up in Colac, Port Fairy, Brisbane, Morwell and Traralgon, I brought my children up on a farm in Boolarra before moving to Kew for 5 years and returning to Korumburra.

Describe yourselves in 2 sentences: I guess you'd call me a community artist. I love to create indoor and outdoor spaces for people to enjoy. I love bringing people and community together. One of my favourite quotes is "Life is a dance not a race".

What is your work history:

Self Employed: Fashion stylist and fashion event coordination. Window dressing. Teaching welding/sculpture. Interior/exterior decorator. Garden design and creation.

Employed: Community development at a local council level and in a Bushfire role after the Black Saturday Bushfires. Setting up Women's Shed in 2 Community Houses. Teaching job skills to unemployed adult learners.

What programs that you are currently running: We run a Foodbank here every second Wednesday (see facebook page or office noticeboard for dates). We have also started Computer Tutoring classes on a Tuesday morning 10.30 to 12.30.

What new programs will Moy-Yan House be offering: We intend to run the following programs when we move into our new venue: Carpentry/woodwork. Welding/sculpture. Mosaics. Painting. Material dying. Pottery. Perfumery. A recycle cafe and boutique. Meditation/yoga/tai chi.

We will also be running a gallery/exhibitions. Garfield is an exciting place to be living and working in and it is becoming a daytime destination for city tourists. We hope to add to the culture of tourism and art while also supporting local business, individuals and the community.

Where can residents find the activities program:

On our Facebook page Moy-Yan Neighbourhood House 0481 895 509 Beswick Street, Garfield.

What area does Moy-Yan House service:

Bunyip, Longwarry, Garfield, Nar Nar Goon, Tynong, Tonimbuk

Will Moy-Yan House stay at its current location: Yes and the old Scout Hall.

What are your hobbies and what do you do for relaxation:

Weld, Garden, Bike ride, Swim/snorkel at the Inverloch beaches near where I live, I particularly enjoy reading about philosophy and science on subjects that relate to humanity and ways of making life better. I can't live without music and always have music playing at work and at home.

Are you a Summer or Winter person:

Winter is cosy winter bars drinking mulled wine and listening to jazz.

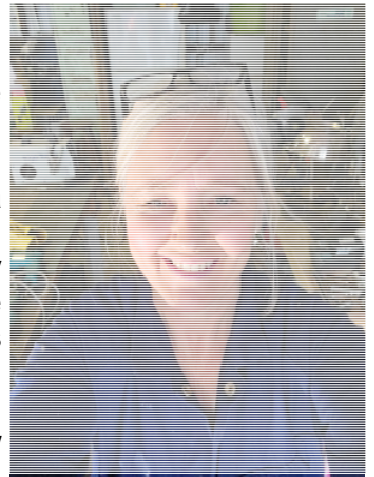

The excitement of the first **Spring** bulbs poking their heads up into the otherwise dormant garden.

Summer is all about the beautiful outdoors, the beach, summer parties enjoying the company of friends. And then onto what is probably my favourite season, the temperate months of **Autumn** with all their radiant colours.

Something about You That Not Many People Know:

I have an Afghan son who I (by chance) met in detention and fostered in 2014. I fought the fires on my property during the Black Saturday Bushfires. Although I love people I can be quite an introvert spending too much time in my head thinking about things. I love working with organised people who are good at dotting I's and crossing t's as sometimes in all my planning and dreaming I can overlook important details. I love to dance.

I'm looking forward to working in our community and meeting many new people. I'm so grateful to the people who have already come in and made me feel so welcome, I've made some great new friends!

Moy Yan Neighbourhood House Food Bank Open this Wednesday 11.00am—2.00pm

Amazing Event Over The Swamp

By Marion Brown

Every now and then mother nature blesses us with a display that is so unexpected and rare that it can take the breath away.

One day last year on leaving Mornington for Bunyip, just as the sun was headed for the horizon, there was already a promise of a colourful exit.

As the journey continued toward Tooradin, small clouds filled the sky, their edges were gradually being coloured with various shades of pink.

On arrival at Cora Lynn clouds were everywhere, the colour intensifying from red to scarlet.

Luckily the Bunyip River Road was straight and quiet as attention was mostly skyward.

Then to the east a bigger cloud, especially strong in colour, caught the eye. An amazing sight – there attached and seemingly protruding from the cloud, was an Arc which could only be a scarlet rainbow.... Wow !

It was hard to trust the eyes – no one will believe this. It needed a photo but there was nowhere to stop. The bank and trees that lined the river obscured the sight.

The bridge at Iona Church was an ideal spot for a perfect shot. I pulled into the bridge, aimed the camera at the incredible scarlet Arc. Then before my eyes – the whole scene melted away like snow – so sad – no evidence.

There must have been others on the swamp or in the hills who experienced this spectacular event.

It would be good to hear that the sight was shared by others as it was so special.

Are you fire season ready?

Cardinia Shire is one of the most beautiful regions in Australia, but it is also one of the most bushfire prone. Preparing our homes and properties well in advance of the bushfire season is the most effective tool we have to keep ourselves, our families and the community safe.

Grass – keep it short!

Grass fires can start and spread quickly and be very dangerous. Reducing the risk of grass fire is the responsibility of everyone in our shire.

In the lead up to fire season, all property owners and occupiers should prepare their properties for bushfire, even if their property is not immediately next to bushland.

At a minimum you should:

- Maintain all grass and weeds on your block at less than 10 centimetres high
- Clear your property of fallen branches and dead vegetation
- Clean up fine fuels such as leaves, twigs and long grass and remove any rubbish.
- Larger rural and agricultural properties need to create a firebreak at least 10 metres wide along external fences by slashing grass and weeds to less than 10 centimetres
- Create separation between vegetation and buildings and fences by mowing and pruning vegetation.

Fire Hazard Inspection Program

Cardinia Shire Council undertakes an annual Fire Hazard Inspection Program which commences in the lead up to the fire season and comprises approximately 4,000 privately owned properties across the Shire. This program follows a risk-based approach which acknowledges that fire risk reduction is a shared responsibility for all residents in Cardinia Shire. The Fire Hazard Inspection Program is primarily focussed throughout the Fire Danger Period, however Fire Prevention Notices may be issued by an authorised officer year-round.

When a property has been identified as posing a fire hazard, a Fire Prevention Notice may be issued by a Fire Prevention Officer. The Country Fire Authority Act 1958 and Fire Rescue Victoria Act 1958 authorises Municipal Fire Prevention Officers to issue Fire Prevention Notices on owners or occupiers of private properties to complete fire management works.

If you receive a Fire Prevention Notice this means that a Fire Prevention Officer has inspected your property and determined it poses a fire hazard. If you do not comply with the notice, **you may be fined up to \$1,923**, and/or you may need to cover the cost of contractor hire to remove fire hazards, plus administration costs. Legal action may still proceed. Each property is considered individually for its level of risk, but there are key things Fire Prevention Officers look for when inspecting a property:

- Long, dry grass
- Fallen and dead vegetation
- Weeds contributing to a high fuel load
- Vegetation close to neighbouring assets.

For more information and online resources on how to prepare for the Fire Season, please visit Cardinia Shire Council's website and search for Fire, Flood and Emergencies. Keeping your bushfire plan up to date is essential. For templates and assistance with this please visit the Plan and Prepare section of the CFA website at www.cfa.vic.gov.au.

By working together this bushfire season we can preserve and protect our residents, wildlife and all the natural assets our beautiful Shire has to offer.

FUNERAL CELEBRANCY

At that time of grief and sadness we all need someone to relieve some of the burden associated with a funeral. Bryan Sharp (*local Garfield resident*) has been helping families with funeral celebrancy for the past 10 years. Bryan customises every service to genuinely celebrate the life of the family member. Every service is different because every person is different. Bryan can give expert advice on all aspects of the funeral service and how it can best honour your loved one. When that saddest time comes and you engage a Funeral Director just ask them to book the services of Bryan as your celebrant. You will get service with compassion, understanding and support.
